STUDENT PARTICIPATION CODE OF CONDUCT FOR EXTRA-CURRICULAR AND CO-CURRICULAR ACTIVITIES

I. CODE OF CONDUCT

Joint School District No. 2 is dedicated to offering an outstanding activities program to the young men and women of this district. It is the district's belief that there should be a proper balance between the academic and activity programs offered in the district. A properly balanced and well-supervised activities program will provide social, emotional, and physical opportunities for those wishing to participate. This district will take the responsibility for providing a program that represents the interests of the majority of its students. Joint School District No. 2 will adhere to all rules and regulations of the **Idaho High School Activities Association**. Extracurricular or co-curricular activities are supplements to the regular instructional programs and afford students opportunities for enrichment. **Participation in extracurricular and co-curricular activities is a privilege, not a right.** I.C.§33-512(12). As representatives of their school and district, students participating in such activities are expected to meet high standards of behavior.

Definition of Extracurricular and Co-curricular Activities

Extracurricular Activities are district and/or school authorized activities, which take place outside of the regular school day and do not involve class credit, including, but not limited to athletics, student groups or organizations, and community activities for which high school letters are awarded.

Co-Curricular Activities

Co-Curricular activities are district and/or school authorized activities held in conjunction with a credit class, but taking place outside of the regular school day including, but not limited to, debate, drama, band or choir.

II. ACADEMIC AND ATTENDANCE REQUIREMENTS TO PARTICIPATE

The minimum requirements needed to participate in extracurricular and/or co-curricular activities will comply with the rules of the Idaho High School Activities Association governing academic eligibility. Students must be in attendance at school the entire school day in order to participate in extracurricular activities after school or in the evening of that same day. Exceptions include situations beyond the control of the student such as court appearance, bereavement, medical or dental appointments.

III. EXTRA-CURRICULAR AND CO-CURRICULAR ACTIVITY SUSPENSION

The district believes that the safety and welfare of other students may be adversely affected when students who are involved in extracurricular or co-curricular activities commit major infractions or repeated minor infractions at school or during school activities, and/or are involved in criminal conduct or drug use in any location.

At the beginning of each semester, teachers or coaches of co-curricular courses will identify for students how participation in the co-curricular activity impacts their course grade. Co-curricular students who are suspended as a result of this policy will have the co-curricular course grade affected only if the reason for the suspension was related to course work or course expectations. Students who miss a co-curricular activity because of a suspension may ask to do, or be required to do, alternative assignments or special projects to make up the missed activity.

Activity Suspension as a Result of a School Suspension

Consequences:

1. The activity suspension is automatic, is for the duration of the school suspension, and runs concurrent with the school suspension.
2. This type of activity suspension cannot be appealed.

Activity Suspension for Repeated Minor Infractions or a Major Infraction During an Activity

A student may be suspended from an extracurricular or co-curricular activity when he/she commits a third minor infraction, or a major infraction, while engaged in an extracurricular or co-curricular activity on any school premises or at any school-sponsored activity, regardless of location. The coach or advisor will recommend suspension to the principal or designee.

Consequences:

1. The student may be given an activity suspension for a period of time up to and including the remainder of the season or duration of the activity in that scholastic year for that activity only.
2. If the activity suspension exceeds nine (9) school days, the parent/guardian may request an appeal as outlined in the Appeal Process at Section V of this document.

IV. ACTIVITY SUSPENSION FOR CRIMINAL CONDUCT OR DRUG USE IN ANY LOCATION DURING THE SCHOLASTIC YEAR

A student may be suspended from extracurricular and co-curricular activities when he/she has been arrested or it reasonably appears to the principal or designee that he/she has violated criminal law, other than infractions or minor traffic violations; or has been involved with drug paraphernalia, controlled substances, or drugs, including alcohol or tobacco, in any location, either on or off campus, during the scholastic year.

Consequences:

1. Students may be suspended from any form of extracurricular or co-curricular activity for a period of 21 calendar days after the first 7 days the student will be allowed to practice but not participate in the activity) to and including the remainder of their attendance in the district.
2. Students involved will be reported to the Superintendent or designee and, if applicable, to the appropriate law enforcement agency.
3. A student and his/her parent/guardian may request an appeal.
4. Student participants involved with drug use are subject to the provisions of the Drug & Alcohol Policy #502.50.
5. After the second Student Activities Drug and Alcohol Policy Violation the student will not be allowed to participate in activities or practice for the remainder of the school year.

Infractions Which Occur During Off Campus Activities and Trips

During an off campus activity or trip, if the school designee in charge of the activity determines that a student should be sent home early because of criminal conduct, drug use or a major infraction, the school designee will notify the parent/guardian and ask him/her to take charge of the return of the student. The parent/guardian will pay any expenses incurred for the return of the student.

Informal Hearing Process

Prior to giving an activity suspension to a student, the principal or athletic director shall grant the student an informal hearing regarding the reasons for the activity suspension. If an emergency activity suspension is necessary, an informal hearing will be held as soon as possible after the emergency ceases to exist.

Appeal Process

1. A student and their parent/guardian may appeal an activity suspension and is not related to a school suspension.
2. The decision of an appeal panel consisting of school officials is final. The decision cannot be appealed to the Superintendent or Board of Trustees.
3. A student is not allowed to participate in the activity during the appeal process.

GENERAL DEFINITIONS

Activity Suspension or Suspension from Extracurricular or Co-Curricular Activities means that suspended students shall not travel, dress in uniform, associate or participate with the team or group at its scheduled event(s). Suspended students may be allowed to participate in practices/meetings; however, the principal or designee may deem it necessary for students to be withheld from practices/meetings for the duration of the suspension.

Emergency Activity Suspension is defined as imposition of an activity suspension by a principal or his designee prior to an informal hearing when it is necessary to protect the health and safety of the individual(s) involved and immediate action is appropriate.

Event is defined as a match, game, meet, or other competitive event, including regional and/or state tournaments, competitions. "Event" is also defined as any band or choir performance(s).

Informal Hearing is considered a meeting with the school designee, student, and parent or legal guardian.

Minor Infraction shall mean a minor deviation from acceptable behavior or stated student expectations that occur while the student is engaged in the extracurricular or co-curricular activity and which is not material or substantial. Students will be given notification of the first minor infraction. Students and parents will be given notification of the second minor infraction through a conference and will be informed that a third minor infraction may result in activity suspension.

Major Infraction shall mean a material or substantial deviation for acceptable behavior or stated student expectations which occurs while the student is engaged in the extracurricular or co-curricular activity, including but not limited to insubordination toward or non-compliance with the person in charge of the activity, verbal or physical abuse (hazing, fighting), refusal of a student to identify him/herself to school personnel upon request.

On any school premises or at any school sponsored activity, regardless of location includes, but not be limited to buildings, facilities, and grounds on the school campus, school buses, school parking areas; and the location of any school-sponsored activity. "On any school premises or at any school sponsored activity, regardless of location" also includes instances in which the conduct occurs off the school premises but impacts a school related activity.

Scholastic Year is defined as the period of time beginning with the first day of the fall extracurricular and co-curricular activities season and ending with the last day of school.

ATTENDANCE POLICY

The laws of the State of Idaho require all youth to attend school regularly until the age of sixteen (16). Regular and consistent attendance is necessary for maximum student learning. It is the responsibility of the parent/guardian to aid school authorities in enforcing this attendance policy 501.10. Regular and consistent attendance is an indicator of success in school and is necessary for maximum student learning and success.

Students are allowed three (3) absences per class period during the semester. Students who receive four (4) absences in any class will lose credit unless cleared by the attendance office as extraordinary within five (5) days of the absence. Verbal communication must come from the parent within 48 hours of the absence to prevent truancy. All absences from class shall be counted unless the student physically remains within an accountable school setting such as with a counselor, nurse, administrator, etc. Each school shall keep accurate attendance records. Administrators will make decisions in keeping with the overall intent of this policy. The appeal process will be first to the building administrator, then to the regional director, and finally to the board of trustees.

ABSENCES

1. All absences except those named in the extraordinary portion or under special provisions, are considered absences. Absences change to truanies if verbal communication does not come from parents within 48 hours.
2. Persistent truancy may result in suspension/expulsion from school.
3. If a student is absent for fifteen consecutive school days, whether or not the absences are verified, the student will be dropped from school. At the time the student returns to school, the student may be re-enrolled in school. Students served by homebound tutors will not be included in this procedure.
4. The following absences count **against** a student's total of three (3) absences in an A/B block schedule class: Parent Call In (PRC), (UNV) Unverified Verified (VER), Truancy (TR), Absence (A), Out of School Suspension (OSS).

SECONDARY ATTENDANCE CODES

- Activity (ACT): An absence for a school sponsored program or activity
- Extraordinary (EXT): Administrative discretion, i.e. unforeseen emergencies, court dates, education travel, etc (does not count against attendance standard but will count against perfect attendance).
- Parent call (PRC): Student is absent as verified by parent/guardian phone call (counts against attendance standard).
- Illness/Waived (ILL/WAI): Legitimate and documented by medical personnel (does not count against attendance standard but will count against perfect attendance).

- Truant (TR): Student is absent without permission of parent/guardian or school officials (counts against attendance

- standard). Persistent/habitual truancy may result in suspension/expulsion from school.
- Unverified (UNV): No information regarding absence – an unverified absence will convert to a truancy unless verbal communication is received from a parent/guardian within 48 hours (counts against attendance standard).
- Verified (VER): Phone call initiated by the school to confirm the absence (counts against attendance standard).

EXTRAORDINARY ABSENCES

Extraordinary absences require prior written request from a parent or guardian, except in the cases of illness, accident, or bereavement. Verbal communication must come from the parent within 48 hours of the absence to prevent truancy. The following criteria are used to determine extraordinary absences:

1. **NATIONAL OR INTERNATIONAL ACTIVITIES:** Events organized for the purpose of continuing competition or as an extension of an approved school program/contest, or special activities such as Olympic qualifying meets.
2. **ILLNESS/ACCIDENT:** Confinement either at home or in a hospital which can be confirmed in writing by a licensed physician, dentist, psychiatrist, nurse or other health professional.
3. **COURT APPEARANCE:** As verified by official documentation
4. **PROFESSIONAL APPOINTMENTS:** as confirmed by documentation by professional personnel such as medical doctors, optometrists, dentists, orthodontists, psychiatrists, or attorneys.
5. **EXTENDED FAMILY TRIP ABSENCE:** In the instance that an extended family, educational trip occurs while school is in session, the parent and students requesting this exception may be required to do the following:
 - a) Students will submit the completed prearranged absence form to the assistant principal at least two (2) weeks prior to the trip.
 - b) Have passing grades in all classes;
 - c) Not exceeded four (4) unexcused absences in a block schedule prior to this request;
 - d) Not have any trancies or school suspensions;
 - e) Request work from teachers and agree to turn in all pre-arranged work on or before the first day back to class.
 - f) Call the attendance office prior to the dates of absence.
 - g) Submit a one-page project paper for each class with information that substantiates the educational purpose of the trip as it relates to each specific class missed. The papers are due to assistant principal upon return to school.
6. **BEREAVEMENT:** Up to five (5) days for a member of the immediate family, i.e. father, mother, brother, sister, grandparents.
7. **RELIGIOUS OBSERVANCES:** When participation is required and can be verified by an appropriate church official or document.
8. **ACTIVITY ABSENCE:** An absence for a school sponsored program or activity.
9. **ABSENCE ON DAY OF ACTIVITY:** A student who is absent during any part of the day of an evening performance or function may not participate in that performance or function unless deemed an extraordinary absence. A student suspended in school for more than one period or out of school on the day of an activity will not be allowed to participate in that activity, game, or practice. The following absences count **against** a student's total of three (3) absences in an A/B block schedule class: Parent Call In (PRC), Verified (VER), Truancy (TR), Absence (A), Out of School Suspension (OSS).

ATTENDANCE REQUIREMENTS

Joint School District No. 2 students must attend three (3) periods during a regular school day to be considered a full time student. With approval of the superintendent or designee, a student may be released for the following and still be considered full time:

1. One (1) period for religious instruction or other approved program in following grades 9-11.
2. Up to three (3) periods for equivalent enrollment at an accredited college/university.
3. Seniors may be eligible for one release period a day. For seniors to be eligible for release periods, they must have completed a minimum, forty (40) credits by the end of the eleventh grade, successfully completed all ninth (9th) through eleventh (11th) grade required credits, and scored proficient or advanced on all portions of the Idaho Standards Achievement Test.

MAKE-UP WORK

Students may be allowed up to two days per absence to complete make-up work for full credit. Assignments or tests that were made prior to the date of the absence are due or will be taken upon return. Senior project due dates are separate from this policy and are due on or before scheduled dates.

PARENT NOTIFICATION

In the event of an absence, the parent/guardian must call the attendance office within 48 hours of the absence in order to prevent the absence from being recorded as a truancy. A notification letter will be sent to parents when the student reaches excessive absences in any class. Students who reach excessive absences in any period will lose credit. Any absences documented as extraordinary will not be counted against the student's total absences.

PERMITS TO LEAVE CAMPUS (PTL)

Parents need to call the attendance office for students to obtain a permit to leave. Parent notes are not accepted. Independent Students' Permits to Leave will not be issued 20 minutes prior to lunch or 20 minutes prior to the end of the school day. Any student leaving campus without a PTL will be issued as a truancy.

TARDIES

A student will be marked tardy if they are up to ten (10) minutes late. On the first unexcused tardy and all subsequent tardies, a student may be required to attend a designated detention(s). Failure to serve tardy-related consequences will result in loss of credit for that class.

TARDY EXCUSED

A tardy will be changed to Excused Late Arrival (XLA) after a student completes a designated detention or consequence. An example of a Tardy Excused would be a late school bus due to weather.

TARDY LATE

When students arrive to class after ten (10) minutes they will be marked Tardy Late (TL). A tardy late is not counted as an absence but is disciplined as part of the tardy policy.

TRUANCY

Truancy is defined as a student being absent without approval of his/her parents, guardian, or school officials. Truancy occurs when:

1. an unauthorized phone call is made;
2. an unauthorized note is sent to school;
3. the parent refuses to excuse an absence;
4. the student leaves school without permission to leave;
5. the student is in the building, but is out of class without permission.

Full-day truanies or single-period cuts will result in a parent contact or conference. Students declared truant may be assigned to Saturday School, the Safe School suspension room, after school detention, and/or lunch detention to make up the time they have missed. A third truancy may result in suspension.

GENERAL INFORMATION

ANIMALS IN THE CLASSROOM (See District Chemical Hygiene Procedure)

1. Do not allow students to bring their pets from home.
2. Animals are allowed in the classrooms when they are required for a unit of instruction from the Meridian Joint School District No. 2 adopted curriculum. The animals may remain in the classroom only as long as required by the unit of instruction that is being taught.
3. The care and well being of any animal should be one of your primary concerns.
4. Wild animals are not allowed in the classroom. Be especially cautious about insects, since they transmit serious diseases.
5. The building administrator shall approve or disapprove use of animals in assemblies.

ANNOUNCEMENTS

Announcements are made daily. A club/organization advisor and an administrator must authorize all announcements and submit them to the office before they are read. All student or parent communication such as, but not limited to: fliers, brochures, or posters require administrative approval.

BACKPACKS

Students are allowed to carry backpacks, sling back backpacks, briefcases, bags and purses to and from school. Students must place these items in their lockers or designated area before the start of the school day. During the school day, these items will not be allowed in instructional areas unless approved by the administration. Personal hygiene items may be retrieved as needed.

BUSES

Transportation to and from school is provided to students living more than a mile and one-half (1.5) from school. Most buses leave the school within a few minutes after the final bell. Students need to be sure to go directly to the bus after their last class (see

Transportation or telephone 855-4440).

CAMPUS SAFETY

Meridian Joint School District No. 2 takes the safety of our students very seriously. Schools annually review building crisis policies and plans in order to be prepared during a crisis. Each school has received a Meridian District Emergency Response Guide, which was patterned after one used nationally. This guide is designed to give general information on how to respond to specific emergencies, such as fire, earthquake, or an intruder. An individualized Campus Crisis Plan will be used during the initial stages of any crisis until emergency service providers respond. Each school's Campus Crisis Plan will be offered to local emergency service providers as well as on file at our District Office. If you have any questions or concerns about the Emergency Response Guide or your school's Campus Crisis Plan, please contact your school office.

CLOSED CAMPUS

Freshman and sophomore students are not permitted to leave campus upon arrival and must remain on campus in designated areas. Violation of the closed campus policy will result in a truancy. Junior and Senior students are permitted to leave during lunch only.

COMPLAINT PROCEDURES

When there are issues/problems between a parent or student and an employee, every effort should be made to solve the problem at the lowest level. Parents and/or students should first bring the matter to the teacher for resolution. If the matter is not resolved, a conference with an assistant principal may be requested. If the matter is not resolved with the assistant principal, a conference with the building principal may be requested. The Regional Director may be requested to attend a conference at any time. The complaint procedure at the Board of Trustee level is outlined in district policy, and can be obtained at the building or district office. A request to appear before the board may be made in accordance with this policy.

Students will not be permitted to leave school without permission from the parent or specified emergency contact person. Parents are requested to keep daytime phone and emergency contact information current. Being in the nurse's office longer than 20 minutes may count as a class absence.

They are also kept inside during outside activity times if the weather or facility condition necessitates. Please be sure that your student is dressed appropriately as conditions often change during the day. Should inclement weather or emergency situations occur which would result in the closing of schools. The information will be announced by the local TV stations and you can check the district web page www.meridianschools.org. Listen to one of the following stations:

INSURANCE

Injuries that occur from accidents during school hours or while participating in school activities are usually covered by family medical plans. The school district does not provide medical insurance to automatically pay for medical expenses when students are injured at school. Parents/Guardians need to be prepared for possible medical expenses that may arise should your child be injured at school. Each school will provide parents and students with the opportunity to obtain additional coverage from an approved insurance carrier at a nominal cost. Brochures outlining the coverage and premiums are handed out at the beginning of the school year and are available at the school office. The school district does have basic liability coverage as required by the State of Idaho. Lost, stolen, or damaged equipment or clothing is not covered by district insurance.

INTERVENTION

Each high school has an intervention period in which a student is assigned. This is class time and failure to attend will result in truancy.

INVESTIGATIONS

The school administrator or designee will investigate any allegations of misconduct that are reasonably characterized as problematic. The administrator in charge of the investigation may take the following steps:

1. Obtain a written statement from the complainant regarding the allegations;
2. Obtain a written statement from the accused;
3. Obtain a written statement from witnesses, if any.

LITTERING

Students are expected to act responsibly. A clean environment shows pride and improves the overall learning environment for all students. Littering is irresponsible and will not be tolerated. Students may be disciplined or fined. Fines will be assessed from one (\$1.00) to ten (\$10.00) dollars depending on severity.

LOCKERS

Lockers may be assigned during registration. The school carries no insurance for lost or stolen items and is not responsible for them. Students should put items only in their assigned lockers. Changes in locker assignments must have the approval of an administrator or designee. Students will be responsible for damage to their assigned locker. P.E. lockers will be assigned during class time. Students should secure their lockers with a lock at all times. If an item does not fit in a locker it is not allowed without prior administrative approval (musical instruments, skateboards).

LOST AND FOUND

Students are responsible for all personal items brought to school. Joint School District No. 2 does not accept liability for any personal item lost on school property due to theft, fire, water damage or for any other reason. If you have lost an item, check at the main office in lost and found. If an item has been stolen, please contact the security officer or the school resource officer or other designated official. If you lose or find articles of clothing, purses, wallets, etc. please check in the main office for the location of the lost and found. Items left in the lost and found may be donated to charitable organizations.

LUNCH/BREAKFAST PROGRAM

A well-balanced breakfast and lunch is prepared fresh daily in your school's cafeteria. All meals are nutritionally analyzed and portions are set according to grade level. Fresh fruits and vegetables are included in the menus and all hot foods are either oven baked or steamed to maintain the maximum amount of nutrients. Peanut products are served in the cafeteria. Two entrees are offered daily on the lunch menu along with 3 side dishes and milk. Each student must choose one entrée and at least two of the remaining items. We encourage all students to choose milk with their meal every day. Menus and meal prices are available on the district website.

Parents/guardians may apply for free/reduced price meals online by visiting the district web page at www.meridianschools.org, clicking the Parent tab, then School Nutrition. Applications for free/reduced priced meals also are available in your school's office and kitchen. Applications are evaluated according to income and family size.

MealpayPlus (www.mealpayplus.com) is an online service that provides patrons the convenience and information to manage meal accounts. The system speeds up serving lines in the cafeteria, eliminates the need to send checks to school or worry about lost/forgotten lunch money, and ensures that students will receive a nutritious meal. Funds deposited through MealpayPlus are usually available for student use within minutes of the transaction.

The Joint School District No. 2 Nutrition Program utilizes a computerized accounting system. Each student will be set up with an account that may be accessed using his/her student identification number. The best time to place money in student accounts would be before school or through the online service. For your convenience, you may deposit any amount of money in your student's account – please make checks payable to <Name of School> Nutrition Program. Charges may be made only in emergency situations - all charges need to be paid on the following day. Parents/guardians or other guests are always welcome to join the students for breakfast and lunch - please notify the kitchen in advance so that the proper number of meals may be prepared. Please contact the school nutrition cashier at your school with any questions regarding meal accounts.

MAGNET INFORMATION

New applications must be submitted by the last school date in February and those received later will be marked late. Information and applications are found on the Joint School District No. 2 website (www.meridianschools.org) as are parent directions for the

application process. If you do not have access to the web, contact your local school. Please be aware and indicate to the school if you accept or reject placement. Parents may apply for more than one magnet school, but can only be drawn for one school. A hard copy of the application with a parent signature must be sent to the magnet school. If a family chooses to apply for more than one magnet school, the first school that draws their name in the lottery is the one from which they will receive a placement.

MEDIA RELEASE

The school or school district periodically uses images and names of students in various media (printed, photographic, or video) to promote school activities or programs. If you do not wish your student's name or image to appear in any such school or district produced materials, please notify the school administration in writing.

MEDICATION AT SCHOOL

Students who need to take prescription or other medication during the school day must bring it to the nurse's office in a properly labeled prescription bottle or original container. **A medication consent form must be completed** by the parent and on file with the nurse for any medication to be given. Homeopathic, herbal, and/or nutritional supplements will not be dispensed at school unless a prescription is provided to the school from a licensed professional with legal prescriptive authority. Schools have the right at any time to refuse to administer any medication or supplement that does not meet standards of safe administration.

If a student requires **emergency medication** for potential life threatening conditions, parents must provide the medication to schools. Emergency medications are kept in the nurse's office and/or carried by a student for self-administration. Students who need to carry emergency medication for asthma or severe allergies may do so according to district policy and procedures. All medications, including emergency, require consent forms yearly. Please contact the school nurse.

Junior and Senior students (only) may carry and self administer one day's dose of over-the-counter (OTC) medication for routine medical conditions with written parental consent. Medication must be in original packaging or container. The required OTC medication form and procedure are available at the nurse's office or on-line. Students who fail to adhere to this procedure may be in violation of district drug policy.

PARENT-TEACHER CONFERENCES

Parents will be notified of conference dates and times by the school. Parents are strongly urged to make a special effort to attend. If parents wish to schedule additional conferences during the school year, they may do so by contacting the counselors.

PROGRESS REPORTS

Progress reports will be given to all students failing a course by the end of the fifth week of each quarters' grading period. If the parents desire a conference, it will be scheduled upon request through the Counseling Office. Parents may access their student's grade through PowerSchool, please contact your school registrar/ counseling secretary for log in information.

REGISTRATION FEES AND REQUIREMENTS

At the time of registration, students may choose to purchase a student activity card which entitles them to attend all activities and assemblies sponsored by the student body. The fee includes all home athletic events. Lost activity cards should be reported to the office immediately. Duplicate activity/identification cards will be issued for an additional cost. A fee sheet may be accessed at the bookkeeper's office. Students will be required to pay class dues and furnish personal items such as notebooks, paper, pencils, erasers, etc. Students enrolled in certain classes (art, home economics, etc.) will be required to purchase materials and supplies used in any project that becomes the personal property of the student. A record of immunizations and a certified copy of the original birth certificate and proof of residence are required of all students at registration.

RELEASE OF STUDENTS DURING THE DAY

For your child's safety, parents are required to sign a student out at the office when removing them from school. Students will remain in the classroom until parents arrive to maximize instructional time. When anyone other than a parent/guardian is picking up a child, they **MUST** have a note from a parent/guardian. A parent may also call the office and authorize the person listed as an emergency contact to pick up their student. Picture ID may be required for anyone picking up a child. Please see attendance policy for other information.

REPORT CARDS

Computerized report cards are issued to students. These reports show academic and effort grades, absences and tardies as well as information on pupil attitudes and work habits. Each classroom will have individual Effort Grade Criteria. These criteria are based upon educational expectations, classroom behavior, common courtesy, and safety. Every student is expected to complete assigned work in a timely manner and follow instructions. Please ensure your child is aware of each teacher's expectations.

REPORTING THREATS

The Joint School District No. 2 takes all threats against the safety of our students seriously. Students/parents who are aware of a threat being made against either an individual or the school population should report that threat immediately. Threats can be

reported directly to a principal, assistant principal, counselor or other member of the school staff for investigation and follow-up. If after school hours or on a weekend, please leave a detailed message on the school voice mail system.

RESTRICTED AREAS

Each school facility has restricted areas as determined by the building administration. Students will be informed by the building administration as to the location. Students found in these areas may be subject to disciplinary action.

SCHEDULE CHANGE

Schedule changes will be considered based upon the following criteria:

1. The student has been misassigned in a course.
2. The student has previously completed the course.
3. The student has taken the course from the same teacher and failed.
4. Schedule changes will only be considered based on availability of space in the class.

If a student drops a subject after having been enrolled in class three (3) A days or B days, the subject will be recorded on the record with an automatic "F" grade for the semester with no credit (exceptions: staff approved changes for more appropriate student placement). All class changes are subject to final approval by the appropriate administrator.

STUDENT IDENTIFICATION/ACTIVITY CARD

Students must have an Identification/Activity card in their possession at all times and the card must be shown to any school personnel upon request. Failure to have this card in possession while in attendance at school or a school-sponsored function may result in disciplinary action. This card must be used to check out material from the Media Center. Those students who do not purchase an activity card will be issued an Identification Card. There will be no fee charged to the student for the first ID card. ID cards may not be used to obtain free or reduced admission to any school function. Individual schools may require all students to display and wear ID cards throughout the school day. Activity Cards may be revoked for discipline purposes and fees will be prorated to the student.

STUDENT RECORDS (In compliance with the Family Rights & Privacy Act of 1974)

Students and parent/guardians will be given notification of their rights as defined by FERPA once every year. This notification will be given using a mass media tool. **Education records** include a range of information about a student that is maintained in schools in any recorded way, such as handwriting, print, computer media, video or audio tape, film, microfilm, and microfiche. Examples are:

- Date and place of birth, parent(s) and /or guardian addresses, and where parents can be contacted in emergencies;

- Personal information such as a student's identification code, social security number, picture, or other information that would make it easy to identify or locate a student.

Records falling within the definition of "education record" pursuant to the Family Educational Rights and Privacy Act (FERPA) do not fall within the purview of HIPAA requirements. All high school courses taken will be placed on the student's transcripts with the grades earned. Grades will not be changed, dropped, or altered unless the exact class (same course title) is retaken and a higher grade earned. Example: genetics for genetics, honors class must be taken to replace an honors class. A higher grade will replace a lower grade.

SURVEILLANCE CAMERAS

Some Joint School District No. 2 schools have surveillance video cameras on campus and many district school buses have surveillance video/audio cameras on board. Please be advised that surveillance cameras are in operation inside and outside of school facilities, as well as on district school buses.

TESTING

It is very important for your child to be in attendance for testing. Accurate assessment of student progress is essential in ensuring academic growth for all students. Joint School District No. 2 utilizes state and district-developed assessment tools to ensure that a full range of assessment data is available for parents and school personnel. These data are used in determining placement, participation in extension and remediation programs, and communication of progress as measured against state proficiency standards. The major assessment tools are as follows: ISAT, End of Course Assessments, and Senior Project.

No semester tests will be given early unless approved by administration and prior arrangements have been made.

TEXTBOOKS

Students are responsible for textbooks assigned to them. Texts that are lost, stolen or show excessive wear or damage are charged to the pupil. It is recommended that students keep all texts covered with heavy wrapping paper or a commercial cover. Students must pay fines for missing or damaged books before their report cards are issued.

TRESPASSING/LOITERING

Idaho State Code Section 33-512 (11) authorizes officers and school officials "...to prohibit entrance to each schoolhouse or school grounds, to prohibit loitering in schoolhouses or on school grounds, and to provide for removal from each schoolhouse or school grounds of any individual or individuals who disrupt the educational process or whose presence is detrimental to the morals, health, safety, academic learning or discipline of the pupils. A person who disrupts the educational process or whose presence is detrimental to morals, health, safety, academic learning or discipline of the pupils or who loiters in school houses or on school grounds, is guilty of a misdemeanor." This policy includes students who have been suspended, expelled from school, or students not enrolled in a class or classes. Persons who do not leave when asked to do so, or who return after having been told to leave, will be remanded to local law enforcement authorities. Students not involved in school activities are expected to be off school grounds within 15 minutes after the dismissal bell. After an activity, students are expected to be off school grounds within 30 minutes.

VISITORS

Parents or other adults visiting the school, please check in at the main office and secure a visitor's pass/ badge. Students who are not members of the student body will not be allowed in the school building without following proper visitor check-in procedures. For your own safety and the safety of our students, please follow these guidelines when visiting the school grounds:

- Do not join the student's activities.
- If you choose to visit with students, please do so within close proximity of the school ground supervisor.
- School grounds supervisors may accompany any adult who is given a visitor pass/badge.
- Please report any concerns to an assigned person or duty rather than handling the matter yourself.

VOLUNTEERS

Whatever your talents, whatever your interests, your school welcomes your time and support. Volunteer Guidelines are available on the district website. Volunteers are encouraged to help in many ways. Volunteers are to check in at the office upon arrival at school and may need to fill out a volunteer registration form. The district Volunteer Guidelines outlines responsibilities/expectations of volunteers.

WITHDRAWAL FROM SCHOOL

If it is necessary for the student to withdraw from school, the student must have parental permission. The student should obtain an Official Transfer form from the counseling office. The form and textbooks must be presented to each of his/her teachers. The student must secure all signatures required on the form and turn the form in at the counseling office. The withdrawing student must return all school books and library books, and make sure all fines are paid. When slip has been completed, return it to the office for final checkout. Withdrawing students must not interrupt classes. Students who withdraw from school are not to loiter in halls or on school grounds at any time and may be cited for trespassing. **When a student withdraws from school, then wishes to return to school at a later time, the student and parent may be required to meet with an administrator.** Transfer records for students going to other schools will be mailed upon request of that school.

STUDENT CONDUCT

Joint School District No. 2 high schools pride themselves on the conduct of their students. A well-disciplined, neat, and clean atmosphere provides the best environment for students to take full advantage of their educational opportunities. In this section of the handbook you will find discussion on the rights and responsibilities of a high school student. If questions concerning these areas arise, contact the school administration for clarification.

BUS CONDUCT

Students are expected to conduct themselves in an orderly manner while waiting for or riding the bus. It is important not to distract the bus driver. The driver has the same responsibility and authority as the teacher does in the classroom. It is the responsibility of every student to know and obey the bus rules as posted on all school district buses. Misbehavior on the bus can deprive a student of the privilege to ride. The transportation department phone number is 208-855-4440.

Appropriate student behavior is essential for a safe and positive environment while transporting students. Students are expected to conduct themselves in an orderly manner while waiting for and riding on the school bus. The bus driver has the same rights and responsibilities to maintain order on the bus as the teacher does in the classroom and it is vitally important not to distract the driver from his/her driving duties. School bus drivers are responsible for informing students of the bus conduct rules and procedures while riding the bus, and every reasonable effort should be made by the bus driver in attempting to solve discipline problems before citations are written. Parent contact should be made to address inappropriate student behavior prior to issuing a citation. Misbehavior on the bus or at the bus stop can deprive a student of their bus riding privileges. Should student behavior on the bus require a citation, the following procedures will be followed:

1. First Citation Point (Tier One)
 - a. The driver conducts a conference with the student and gives the reason for issuing the citation.
 - b. The driver calls parent or guardian and informs them of the citation and explains the actions necessary in order to regain bus-riding privileges.
 - c. If the driver cannot reach the parent or guardian within 36 hours, the citation is given to the driver's trainer/evaluator to inform parent or guardian by phone or registered mail.

 - e. The student will be allowed to ride the bus when the signed citation is returned to the bus driver.
2. Second Citation Point (Tier One Level Two)

 - d. The driver gives the citation to the student to take to the parent or guardian for their action
 - i. The parent/guardian and student meet with the trainer/evaluator and obtain his/her signature
 - ii. Up to three days suspension from riding bus or other appropriate discipline may be assigned at the discretion of the trainer/evaluator
 - e. The student is allowed to ride the bus after meeting with trainer/evaluator, serving the suspension, and returning the signed citation to the bus driver.
3. Third Citation Point (Tier Two)
- a. The driver conducts a conference with the student and gives a reason for issuing the citation.

 - e. The pupil is allowed to ride the bus after the suspension is served and the citation, with signature of principal, is returned to the bus driver.
4. Fourth Citation Point (Tier Three)
- a. Bus riding privileges are suspended for five days pending a hearing of the Transportation Discipline Committee. The Transportation Supervisor may recommend to the committee a suspension period not to exceed the rest of the school year. Behaviors occurring during the last two weeks of the school year may result in revoking bus riding privileges for a period not to exceed the first semester of the following school year.
5. Severity Clause:
- a. A student can be temporarily suspended from bus riding privileges by the Transportation Supervisor or designee for behavior endangering the safety of the bus and/or its occupants. Behavior that endangers the safety of the bus and/or its occupants and deliberate vandalism occurring during the last two weeks of the school year will result in revoking bus riding privileges for a period not exceed the first semester of the following school year.
 - c. Within five days of suspension of bus riding privileges, the District's Transportation Hearing Committee, made up of one transportation trainer/supervisor, two administrators/counselors, who shall be the hearing panel, the superintendent or his/her designee, who shall act as the hearing officer, and a recorder shall schedule an informal hearing to determine to revoke or reinstate riding privileges. CHEATING

Cheating in any form or manner is unacceptable. Every incident of cheating will be investigated by the teacher/designee and an administrator. The offending student will redo an assignment or assessment similar to the one of which they cheated. This assignment must be completed outside of instructional time. If the student is unwilling or unable to complete the assignment or assessment outside of instructional time the student will receive a zero on the assignment or assessment. The offending student will be assigned disciplinary consequences deemed appropriate by the administrator.

COMPUTER/NETWORK USE AND CONDUCT (See Policy 1001.30)

Computers and computer networks, including Internet access, provide valuable tools that support the education of students in Joint School District No. 2. The student and his/her parent(s) should read and discuss the district policies concerning computer use (see Appendix M, **Network Computer and Electronic Information Systems**).

Unless a parent has signed a district "Internet Opt-Out" form, all students will be given access to the Internet. In many cases library research resources, such as databases of magazine, journal and newspaper articles, are only available through Internet access. Also, the Internet provides access to information and media resources, simulations, and other online educational activities. Its proper use can open new opportunities for research, learning and communication. Joint School District No. 2 will make prudent efforts to limit improper use.

Students will be assigned a network login. With this access comes responsibility. Student logins on the school's network system(s) are considered a privilege, not a right. Students are expected to use only the software made available to them by their teachers or designated technology staff. They are allowed to save documents and other school-related files to their home directories on the network, or other drives only as specified by their teachers or designated technology staff. A student who gains access to inappropriate material on the Internet is expected to discontinue the access as quickly as possible and to report the incident to a staff member.

Students will not install or download games, utilities, plug-ins or other programs or files from the Internet or any other outside source, to the network or individual systems. Hacking (attempting, without authorization, to access or alter Internet, network or local hard drive functionality, configuration, data or software) is forbidden. This includes, but is not limited to, the creation or transmission of computer viruses, WORMs or any programs/files that would disrupt the use or functionality of the computers or network. Any attempt to harm or destroy functionality of computer-related equipment or data will be considered vandalism (see Idaho State Code 18-2202).

Students are expected to follow the guidelines and policies expressed in the handbook and the district's NETWORK, COMPUTER AND ELECTRONIC INFORMATION SYSTEMS policy (see Network, Computer and Electronic Information System Appendix M). If the guidelines and/or policies are violated, administrators will determine consequences based on the severity of the incident. This may include disciplinary action, loss of Internet access, loss of all computer privileges, removal from appropriate classes with an F grade, and/or legal action according to Joint School District No. 2 policy (1001.30) and Idaho State Code (sections 18-2201 and 18-2202).

DETENTION

Saturday school, lunch detention, and after/before school detention are discretionary disciplinary actions that are available to the building administration or designee to use when dealing with discipline.

DISCIPLINE STEP PROCEDURE

The following is the procedure for offenses that disrupt normal school functioning but are not regarded as major offenses. **Major offenses may result in a suspension and/or recommendation for expulsion at any time, depending on the severity.**

Tier One:

- Step 1: Teacher conferences with student and documents student behavior.
- Step 2: Teacher documents student behaviors and determines appropriate intervention strategies.
Teacher contacts parents and possibly the counselor and administration.

(Behavioral interventions may begin on Step 1 or Step 2)

Tier Two:

- Step 3:
 - Teacher refers student to the administration on a referral form. This indicates that the student has not responded to Tier One interventions in the classroom.
 - Referrals will result in a conference with the student, **including parent notification, and assignment** of a consequence determined by the administration. A review of Tier One interventions and alternate strategies may be considered by the administration and the teacher.
 - For severe deviant behavior, incorrigibility, or repeated violations, the student may be temporarily suspended from school for a period of one to five (1-5) days by the Principal or certified designee. An informal hearing will be afforded parents/guardian before suspending, according to Idaho Code 33-205. This may take place by a telephone or school conference.
 - Continued referrals may result in progression to Tier Three.

Tier Three:

When the student does not respond to interventions, alternative placement or recommendation for expulsion will be considered. A discipline log will be maintained on the district referral form by each principal. Out of school suspensions will be reported to the appropriate regional director.

DRESS CODE

The purpose of dress regulations is to help each student set a standard for his/her personal appearance that is appropriate within the accepted standards of Joint School District No. 2 High Schools. Students are expected to demonstrate pride in their personal appearance for it reflects individually on them and collectively on the school attended.

The Board recognizes that a student's mode of dress and grooming is a manifestation of his/her personal style and individual preferences. The Board will not interfere with the right of students and parents to make decisions regarding appearance, except when choices affect the educational program of the schools. Any apparel that draws undue attention to a student tends to detract from the educational process and is therefore inappropriate. It is a mark of maturity when students can freely choose apparel that demonstrates individuality without deviating from the standard of appropriateness. A degree of modesty is expected.

The Board authorizes school regulations that prohibit student dress or grooming practices which:

- Present a hazard to the health or safety of the student himself/herself or to others in the school
- Materially interfere with school work, create disorder, or disrupt the educational program
- Cause excessive wear or damage to school property
- Prevent the student from achieving his/her own educational objectives because of blocked visions or restricted movement
- Any attire that has been identified as gang related or may contribute to the intimidation of others.

Any article of clothing, jewelry, or make-up which draws undue attention, is unsafe, or is disruptive to the educational process will be considered inappropriate. Examples include but are not limited to:

- Clothing that does not cover the stomach, back, chest/cleavage, or undergarments
- Tank tops, spaghetti straps, tube tops are not permitted
- Spiked clothing, belts or jewelry

- Safety pins
- Any attire shorter than mid-thigh length –any attire with holes above mid-thigh
- Chains connecting the wallet to a belt loop or worn anywhere on the person
- Pajamas or boxer shorts worn as outerwear
- Hats, headbands, hoods, bandanas, or other head covering
- Clothing, jewelry, or tattoos advertising or depicting alcohol, tobacco, drugs, gang affiliation, or sexual innuendoes
- Hanging belts
- Inappropriate tattoos must be covered at all times
- Sunglasses

In addition:

- Footwear must be worn at all times
- Certain classes may require specific clothing and footwear for safety purposes
- Athletic/Activity uniforms worn during the school day must adhere to this policy

Exceptions to the dress code may be made for special days or special events. These days and events are announced in advance.

Violations of the dress code will lead to disciplinary action.

DUE PROCESS FOR STUDENTS

In the event a student is accused of violating a policy, regulation or rule established by the School District, building administration, or classroom teacher, the student has the following due process rights:

1. The student will be immediately notified of the alleged infraction by the person witnessing the alleged infraction, if that person is a school district employee. If a person other than a school district employee is the witness, then a school district employee is to be informed and a school district employee will then notify the student of the alleged infraction. The employee or other accuser must inform the student of his/her due process rights immediately and will not determine a penalty until the student has been given the opportunity to respond to the alleged infraction.
2. At the student's request, a school counselor or assistant principal and the school district employee involved will hold an informal hearing with the student as soon as possible and the parents/guardian will be notified after the hearing by school personnel.
3. In the event the informal hearing between school personnel and the student does not resolve the problem to the satisfaction of both parties, a parent/guardian of the student will be notified and an informal hearing with the student, the parents/guardian, and school personnel will be held within three school days. The results of this informal hearing must be given, in writing, to the parents/guardian within 10 days after the informal hearing.
4. In the event the informal hearing with the parent/guardian does not resolve the problem to the satisfaction of both parties, the parent/guardian may, with 10 days of receipt of the decision, appeal the decision to the building principal. The building principal will schedule an informal hearing within 5 school days. The principal must give his/her decision, in writing, to the parents/guardian within 10 days after the informal hearing.
5. In the event the informal hearing with the building principal does not resolve the problem to the satisfaction of both parties, the parent/guardian may, within 10 days of receipt of the decision, appeal to the Regional Director. The director will schedule an informal hearing within 5 school days. The director must consult with the superintendent and give his/her decision, in writing, to the parents/guardian within 10 days after the informal hearing.
6. In the event the informal hearing with the director does not resolve the problem to the satisfaction of both parties, the parent/guardian, may within 10 days of receipt of the decision, appeal to the Board of Trustees and a formal hearing will be held. The results of this formal hearing will be given to the parents/guardian within 10 days after the formal hearing.

Minutes may be taken at all hearings by an electronic recording device. In all hearings, students and parents/guardians have the right to have legal counsel present.

Definition of terms use above in Due Process for Students:

- **Immediately** means at the time the alleged infraction occurs
- **As soon as possible** means as soon after the alleged infraction that all parties are available to meet

ELECTRONIC DEVICES

Students will use electronic communication or data devices only in a manner consistent with instructional and testing activities in the classroom. These devices include, but are not limited to, handheld calculators, PDA's, pagers, cell phones, music playing devices, cameras, wireless devices, and laptop computers. Use of these devices must not violate any district policy, or cause classroom disruption, nor may they be used in the access, creation, or possession of inappropriate materials (i.e. pornography). Use of electronic devices in the classroom is at the discretion of the teacher. Students who bring any electronic device do so at their own

risk. Joint School District No.2 and its schools assume no liability for damage, theft, etc. Videotaping or taking pictures is prohibited on campus unless approved by building administration. If the policies are violated, administrators will determine consequences based on the severity of the incident. Additionally, on the first offense the device may be confiscated until a parent picks it up.

EXPULSION

Students involved in any action that puts in jeopardy the health or welfare of the school facility or its occupants may be recommended for immediate expulsion for the remainder of the semester, or, if a minimum of 20 days remains in the semester, the student may be expelled for the remainder of the current semester and the following semester. Students who are expelled are not allowed to be on any school campus for the duration of their expulsion.

Idaho Code 33-205 states, "The board of trustees may deny enrollment, or may deny attendance at any of its schools by expulsion, to any pupil who is a habitual truant, or who is incorrigible, or whose conduct, in the judgment of the board, is such as to be continuously disruptive of school discipline, or of the instructional effectiveness of the school, or whose presence in a public school is detrimental to the health and safety of other pupils, or who has been expelled from another school district in this state or any other state. Any pupil having been denied enrollment or expelled may be enrolled or readmitted to the school by the board of trustees upon such reasonable conditions as may be prescribed by the board; but such enrollment or readmission shall not prevent the board from again expelling such pupil for cause."

FAILURE TO COOPERATE

Students who fail to cooperate with school authorities when requested may be subject to other disciplinary action.

FIGHTING

No student shall willfully and/or maliciously disturb the peace by challenging to fight, fighting, instigating or encouraging others to fight. Bystander(s) may be subject to disciplinary action. Offenders may be charged with the appropriate offense and subjected to legal consequences.

GANG/GROUP AFFILIATION

The School Board desires to keep district schools and students free from the threats of harmful influence of any groups or gangs that advocate drug use or disruptive behavior. The use of hand signals and the presence of any apparel, jewelry, accessory, book or manner of grooming which, by virtue of color, arrangement, trademark, symbol or any other attribute, which denotes membership in a gang, creates a clear and present danger of the commission of unlawful acts on school premises, the violations of school regulations, or the substantial disruption of the orderly operation of the school and is prohibited. In determining whether or not a student is in violation of the prohibition on wearing/display of a gang-related item, the district may utilize law enforcement resources to verify that such items or indicators do indeed violate this policy or pose a threat to the security of the school environment. This policy shall be applied at the principal's discretion as the need for it arises at individual school sites. The school district acknowledges that not all potential gang indicators imply actual membership in a gang; however, these indicators may compromise a student's safety and are therefore prohibited.

HARASSMENT AND/OR INTIMIDATION- POLICY 502.7

It is the policy of this district to maintain a learning environment that is free from harassment. Each student has the right to attend school in an atmosphere that promotes equal opportunities and that is free from all forms of discrimination and conduct that can be considered harassing, coercive or disruptive.

Students attending district schools are:

- Prohibited from engaging in any conduct which could reasonably be construed as constituting harassment on the basis of sex, race, color, national origin, age, religious beliefs, ethnic background or disability;
- Prohibited from sexually harassing other students; and
- Required to report, to the school principal or designee, harassment of which the student becomes aware.

This policy applies to all conduct on the district's premises and at school sponsored events, conduct during transportation to and from school and school sponsored events, and to conduct off the district's premises that has an adverse affect upon a student's educational environment.

ITEMS INAPPROPRIATE FOR SCHOOL

Items that are inappropriate for school are those items that can cause a disruption to the learning environment and serve no educational purpose. The following are examples of items that may be deemed inappropriate for school.

- Sunflower seeds, gum, toothpicks, rubber bands, squirt guns, etc. - these items are not permitted because of the problems caused by misuse.
- *Riding* skateboards, bikes, roller skates, scooters, shoes with wheels, and roller blades on school property is prohibited.
- Trading cards, toys or other items of value

- Animals, unless brought with administrative approval
- Large chains
- Laser pens, shock pens
- Students may not sell candy as part of a fund-raising project **for another school or organization** on the school campus.

KNOWINGLY PRESENT

Knowingly Present shall mean that a student was present or in attendance at a gathering of students during which one or more of the attendees (other than the student at issue) were involved in any Joint School District No. 2 violation.

NO TOUCH POLICY

Students are to keep their hands and feet to themselves at all times. This includes, but is not limited to, public displays of affection, horseplay, pushing, shoving or bumping into each other. Dependent upon the severity, No Touch violations can be minor or major violations of the school discipline policy.

RETALIATION

Any person found to have retaliated against another individual for reporting an incident in good faith may be subject to disciplinary action up to and including expulsion.

SAFE SCHOOL PROGRAM

Safe School is an in-school suspension that may be used as a consequence for any student involved in a minor or major disciplinary offense. The student is removed from the classroom and assigned to a specific area during the regular classroom time, or Safe School students stay in a Safe School classroom and work on assignment for the duration of their suspension. Major disciplinary offenses may incur loss of eligibility for extracurricular activities during the suspension day(s).

SEARCHES

Philosophy

The Meridian School District recognizes that substance abuse, the harmful use of drugs and alcohol, the possession of objects or materials considered unsafe, and the problems associated with these are becoming increasingly commonplace in our society. We recognize that a student's involvement can lead to the illness of chemical dependency and alcoholism or may be harmful to themselves or other students. We support prevention, early intervention, and appropriate referral. We will be involved in disciplinary action when needed.

Authorized Personnel

Searches of a student or a student's personal belongings shall be conducted by an administrator or his/her designee.

Dogs

Subject to the following conditions, the administrator may authorize the use of dogs to detect the odor of prohibited substances or items on school grounds. The administrator shall be present. Students shall not be in the immediate vicinity of the dogs while they are searching.

Inspection (Suspicion less Searches)

School property, such as lockers and desks, are jointly held by the school and the student. School authorities have the right to conduct general inspection of all such property on a regular basis. During these inspections, items that are school property, such as textbooks and library materials may be collected. Students have no expectation of privacy in such locations. All vehicles on school property are subject to general inspection (suspicion less searches).

Personal Searches

No search of a student by school personnel should be conducted in the presence of other students unless no other options are available. When a pat-down search of a pupil's person is conducted, the person conducting the search shall be the same sex as the pupil. A witness of the same sex as the student shall be present during the search. Reasons for a student search in front of others or the opposite sex would include staff/officer safety and/or exigent circumstances.

Reasonable Suspicion

The concept of "reasonable suspicion" as outlined in *New Jersey vs. T.L.O. (1985)* allows student searches by school officials if the officials have information that leads them to believe that a student has broken the law or school policy and that the search will yield evidence of a violation. A desk, locker, vehicle, phone, or person may be searched if reasonable suspicion exists to believe that evidence of a violation of the law or a school policy is contained therein.

SEIZURE

Illegal Items

Illegal items (e.g., weapons, drugs, etc.) or other possessions reasonably determined by proper school authorities to be a threat to the students' safety or to others' safety and security can be seized by school officials. All illegal items will be turned over to law enforcement for disposition.

Other Items

Other items that may be used to disrupt or interfere with the educational process may be temporarily removed from the student's possession by a staff member. Such items may be returned to the student by the staff member or through the Principal's office.

SUSPENSION

Suspension and/or detention may be used as a disciplinary action or to remediate tardies.

- In-School Suspension: The student is removed from the classroom and assigned to a specific area during the regular classroom time. These absences do not count in the allowable absences per semester. A student who is suspended in school for more than one period may not be allowed to participate in school activities.
- Out of School Suspension: The student may not be at school for a specific amount of time. These absences will count as part of the allowable absences per semester. Parent contact will be made (if possible) prior to in/out of school suspension. Students will not be allowed to participate in school activities including games and or practice. Students who are suspended out of school will not be allowed at school or on school grounds for the duration of their suspension.

STUDENT DRIVING

Compliance with Idaho Code §49-303

Students under the age of 18 are required by Idaho Code §49-303 to meet the enrollment and attendance requirements of the schools. Students must obtain/complete Form FTAS-1 with their school in order to obtain a driver's training permit. In the event a student fails to meet the enrollment and attendance requirements of the public schools, a written notification to the student and his/her parents will be issued to provide written notification of the school's intent to request that the Idaho Transportation Department (IDT) suspend the student's driving privileges, whether or not the student is licensed. The student or parent/guardian shall have 15 calendar days from the date of receipt of the notice of Intent to Suspend to request a hearing before the public school principal/designee for the purpose of reviewing the pending suspension of driving privileges. The hearing to establish enrollment compliance is to be conducted within 30 days after the principal/designee receives the request. Upon receipt of a *Notice To Suspend For Noncompliance* with Idaho Code §49-303, the ITD will send via certified mail a *Notice Of Suspension* to the student.

Parking

Parking is a privilege at the school site. Students are not allowed to park in areas designated visitor parking, faculty or staff parking, handicapped parking, or curbs painted red or yellow. Student vehicles must have a parking permit displayed as directed to be able to park on campus. Student vehicles must be parked in designated parking spaces within parking lines. Failure to purchase and properly display a permit is a violation of policy. The security officer may make parent notification after the third offense. Parking violations are subject to the following fines: 1st offense \$ 15.00, 2nd offense - \$20.00, 3rd offense, \$25.00, 4th offense and any further offense- vehicle may be towed, booted and/or driving privileges may be revoked; handicapped parking fine - \$25.00.

Parking Lot

The Joint School District No. 2 assumes no responsibility for theft or damage. Any damage that does occur with a vehicle should be immediately reported to the security officer. For the security of all vehicles, students are not to be in the parking lot during classes or breaks. The exception is for 11th and 12th grade students going to and from their vehicles at lunch. Students found in the parking lot during class time, break, or 9th and 10th grade students during lunch may receive disciplinary action. All students are forbidden to loiter in the parking lot at any time.

Vehicle Registration

All students driving to school must register their vehicle in the main office. Each school year a vehicle registration fee will be charged. This fee will include one parking permit.

Violations

Vehicles will be driven in a responsible manner on campus. Inattentive or irresponsible driving will not be tolerated and will be subject to a fine and/or restriction. Inattentive or irresponsible driving includes, but is not limited to, speeding, rapid acceleration, racing, burning tires, or making illegal turns.

- Driving violations are subject to the following fines: 1st offense - \$20.00, 2nd offense - \$25.00, additional offenses may result in loss of driving privileges for the remainder of the school year.
- Driving violations will be determined as observed by the school security officer or school officials. The school security officer may make parent notification after the first offense.

TRANSPORTATION (See Policy 702)

ZERO TOLERANCE OFFENSES

Students in violation of any zero tolerance policy may be expelled and referred to the appropriate authorities. The duration of expulsion may be for the remainder of the school year; or, if occurring in the second semester, the student may be expelled for the first semester of the next school year (policy 502.11). Zero tolerance will be in effect while on the property of a public or private school or in those portions of any building, stadium, or other structure on school grounds which were, at the time of the violation, being used for an activity sponsored by or through such a school, and/or while riding school provided transportation and/or participating in a school sponsored extracurricular or academic activity off school grounds. Zero tolerance offenses include: alcohol/controlled substance, arson, explosive devices, verbal and/or written threats, weapons.

SUPPORT SERVICES

CAREER CENTER

The Career Center is in the business of “preparing today’s students for tomorrow’s challenges.” Students may access information on scholarships, financial aid, colleges, universities, trade and technical schools, ACT and SAT college entrance exam registration, careers, summer opportunities, part-time employment, job search techniques, resume and cover letter writing, interviewing techniques, etc.

COUNSELORS

School counselors deliver a comprehensive school-counseling program encouraging all students’ academic, career and personal/social development and helping all students in maximizing their individual student achievement. Services provided by the school counseling department included: individual student planning; individual and group counseling; consultation with staff members and parents; community referrals; and classroom guidance presentations. Counselors maintain “confidentiality” except in the following situations: disclosure of abuse, abandonment, neglect; disclosure about intent to harm self or others; to comply with a court order or subpoena; or disclosure of the commission of a crime. The counselor’s office is always open to students. Counselors may be contacted in the office between classes, before or after school, or at lunchtime.

LIBRARY/ MEDIA CENTER

The library media center is open throughout the school day, from before school until after school. Most books may be checked out for two weeks and may be renewed unless placed on reserve. Fines are charged for overdue books and replacement costs will be charged for lost or damaged materials.

NURSE- HEALTH PROGRAM

The school nurse is a registered nurse responsible for the identification, management and planning of health issues in schools. Responsibilities include giving first aid to the ill and injured, supporting students with special medical needs, identifying and controlling communicable disease, monitoring medications, guest teaching on health-related subjects, and performing health screenings. Parents are requested to notify the school nurse of any student illness or medical problems that could affect their student’s well being or academic success.

Emergency Care

In the event of an emergency, the principal and the school nurse are notified. The decision to call 911 is made by the nurse, principal or designee. When possible, parents will be contacted concerning the decision to call 911. The student’s family will be charged by the responding entity only if the student is transported or if medication/supplies are used at the scene.

Joint School District No. 2 does not provide medical insurance to pay for medical expenses when students are injured at school. This is the responsibility of the parent or legal guardian. (See Insurance)

Health and Wellness

The Meridian School Board recognizes that childhood wellness is essential for academic success. Research indicates that becoming physically active and maintaining an exercise program and access to nutritious foods reduces the risk of obesity and other associated diseases. As a school district we are striving to offer a balance of healthy treats at our school celebrations. (See Policy 504.7)

Illness or Minor Injury

If your child is ill, please do not send them to school. We ask that you notify the school if your child has been diagnosed with a contagious illness.

If a student becomes ill or injured at school, they should go to the health room. A pass from the teacher is required, except in an emergency. If your child becomes ill enough to go home during the school day, you will be notified. Children are not allowed to

leave the school grounds without permission, and will not be sent home unless the parent/guardian is notified and arranges for the child's transportation home.

If your child has a minor injury, the school nurse or designee will administer basic first aid. If the injury is serious, every effort will be made to notify the parent immediately. Parents are requested to keep current daytime phone and emergency contact information with the school office.

PSYCHOLOGISTS

School psychologists help students and families in crisis, evaluate students with academic and/or emotional difficulties, and consult with teachers and principals. They are available for consultation with families regarding mental health issues.

SCHOOL RESOURCE OFFICER PROGRAM

The School Resource Officer (SRO) program deals with crime, crime prevention, and young people. This program is administered on a cooperative basis between the school district and the police/sheriff's office, with an emphasis placed on helping students with problems at home or at school. In some cases, diversion programs are offered for first-time offenders as an alternate to court. This may involve an informal probation for the child in lieu of criminal prosecution. Because of prolonged and frequent contacts, the SRO can effectively counsel and, in some cases, release many first offenders. Serious or repeat offenders, however, are often referred to juvenile court where they are assigned professional court counselors. For further information see District Policy 502.6.
