77 **Family Educational Rights and Privacy Act Requirements (FERPA):**

78 Students and parents/guardians will be given notification of their rights as defined by
79 FERPA once every year. This notification will be given using a mass media tool. The
80 annual notice will contain information regarding the right to inspect their child's records,
81 the right to seek an amendment to the record, and the right to consent to the disclosure
82 of personally identifiable information. The notice will also inform the students and
83 parents/guardians of their right to file a complaint with the U.S. Department of Education.

84

85 **Inspection of Records**

86 Student records will be available for inspection by parents/guardians and eligible
87 students upon written request. The request will be granted within a reasonable time (not
88 to exceed forty-five (45) calendar days). A copy of the records will be given to the
89 parent/guardian or eligible student upon request. When a record contains information
90 about students other than a parent's child or the eligible student, the parent or eligible
91 student may not inspect and review the portion of the record that pertains to other
92 students. Actual copying costs may be collected from the student or parent/guardian.

93

94 **Record of Requests**

95 The district will maintain a record of all requests for information from a student's
96 education records. The record will indicate the name of the party making the request,
97 any additional party to whom the information may be re-disclosed, and the legitimate
98 interest the party had in requesting or obtaining the information. The record may be
99 reviewed by the parent/guardian_or eligible students.

101 Non-custodial Parent

102 Access to records and information pertaining to a minor child including, but not limited to,
103 medical, dental, health, and school or educational records, shall not be denied to a
104 parent because the parent is not the child's custodial parent. If the custodial parent
105 requests in writing, the school district will remove information regarding the address of
106 the minor child prior to providing the information to the non-custodial parent.

107

108 Record Amendment

109 Parents/guardians or eligible students have the right to ask to have records corrected
110 they believe are inaccurate, misleading, or in violation of their privacy rights. Following
111 are the procedures for the correction of records:

112

- 113 1. Parents/guardians or the eligible student must ask the district to amend a record.
114 In so doing, they should identify the part of the record they want changed and
115 specify why they believe it is inaccurate, misleading or in violation of the
116 student's privacy rights.
- 117 2. The district may comply with the request or it may decide not to comply. If it
118 decides not to comply, the district will notify the parents/guardians or eligible
119 student of the decision and advise them of their right to a hearing to challenge
120 the information believed to be inaccurate, misleading, or in violation of the
121 student's privacy rights.
- 122 3. Upon request, the district will arrange for a hearing, and notify the
123 parents/guardians or eligible student, reasonably in advance, of the date, place,
124 and time of the hearing.
- 125 4. The hearing will be conducted by a district official. The parents/guardians or
126 eligible student shall be afforded a full and fair opportunity to present evidence
127 relevant to the issues raised in the original request to amend the student's
128 education records. The parents/guardians or student may be assisted by an
129 attorney.
- 130 5. The district will prepare a written decision based solely on the evidence
131 presented at the hearing. The decision will include a summary of the evidence
132 presented and the reasons for the decision.
- 133 6. If the district decides that the information is inaccurate, misleading, or in violation
134 of the student's right of privacy, it will amend the record and notify the
135 parents/guardians or eligible student, in writing, that the record has been
136 amended.
- 137 7. If the district decides that the challenged information is not inaccurate,
138 misleading, or in violation of the student's right of privacy, it will notify the
139 parents/guardians or eligible student that they have a right to place in the record
140 a statement commenting on the challenged information and/or a statement
141 setting forth reasons for disagreeing with the decision. The statement will be
142 maintained as part of the student's education records as long as the contested
143 portion is maintained. If the district discloses the contested portion of the record,
144 it must also disclose the statement.

185 **Transfer of Records**

186 Whenever a student transfers from one school to another, within the district, within the
187 state, or elsewhere, and the sending school is requested to forward student records, the
188 sending school shall respond by forwarding a certified copy of the transferred student's
189 record within ten days (exception according to Idaho Code 18-4511).

190

191 **Disciplinary Records**

192 When a school record contains information of violent or disruptive behavior or
193 disciplinary action of a student, the information must be included in the transfer of
194 student records. The disciplinary information must be transferred by placing it in a sealed
195 envelope, marked confidential, and addressed to the principal or assistant principal.

196

197 **Students with Disabilities**

198 The parents/guardians of students with disabilities have the right to inspect and review
199 the educational records of their child upon written request. The request will be granted
200 within a reasonable time (not to exceed forty-five (45) calendar days). Typical situations
201 for request include:

- 202 1. Before any meeting regarding an Individualized Education Program (IEP).

- 203 2. Before any hearing relating to the identification, evaluation, or educational
204 placement of a child.
205 3. Before any hearing relating to the provision of a Free Appropriate Public
206 Education (FAPE) to a child
207

208 Parents/guardians of students with disabilities shall be notified when personally
209 identifiable information that has been collected (more than five (5) years old) is no longer
210 needed to provide services to the child. The information must be destroyed at the
211 request of the parent/guardian. Permanent information will not be destroyed.
212 Permanent records include the student's name, address, phone number, grades,
213 attendance records, classes attended, immunizations, and the grade level and year that
214 the highest level was attained.

216 **Time Requirements for Maintaining Educational Records**

217 The General Education Provisions Act and the federal regulations for State-Administered
218 Programs both require that records be retained for at least five (5) years. With the
219 exception of permanent records, student information will only be kept for a period of five
220 (5) years after the student graduates from high school or withdraws from the school
