RE: Bid results: Aluminum Platforms, Stairs and Ramps

On April 25, 2006 bids were opened for Aluminum Platform, Stair, and Ramp Systems for five (5) re-locatable classrooms to be placed at Lake Hazel Middle School. A bid notice was posted and advertised according to state statutes and district policy. Bid packets were distributed to five (5) vendors.

Only one bid was received. It was from the successful bidder on our bid for similar systems last summer, was within budget, and had a lower unit cost than the previous bid.

We recommend award to Welcome Ramp Systems, the sole bidder for a total amount of \$41,797.00. The budget amount for this project is \$73,500.00.

Thank you.
