April 21, 2006 (4:30-8 p.m.)

We have an annual Mother and Daughter Event, which helps promote a strong, bond for the girls in our community. This Event also helps our girls at EMS to give service hours to their fellow girl scouts and community. It promotes Leadership and friendship as the EMS girls set a good example for future girls that will be attending EMS.

We have currently 26 troops as of this year. We have outgrown other meeting places. At this time we are asking that the <sup>rental fees</sup> deposit fees be waived so we can use the facility to host this event. We are a non-profit organization like yourselves and use all resources wisely.

Thank you for your consideration in this matter and future endeavors. Any questions, please call:
