To the Meridian School Board:

I am Karen Hay, Coach of the Summerwind Skippers jump rope team. My team is hosting the Region 8 jump rope tournament at Mt. View High School this year on April 8, 2006. I am writing this to request that the facility fee be waived. We understand we must pay the custodial fee at a rate of \$15 per hour. If the rental fees were waived we would be most appreciative.

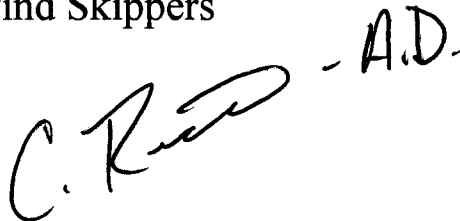

We are a non-profit organization and our EIN is 65-1177299. My team and their parents along with me certainly appreciate your support in this matter. Thank you for taking the time to consider it.

Sincerely,

Karen Hay

To Whom It May Concern:

Advantage Idaho Inc. is the management company for the Austin Creek Homeowners Association. The board of directors is requesting that the ACHOA be allowed to use the school cafeteria free of charge for its annual 2006 meeting on April 18, 2006.

The association is a non-profit that manages the subdivision's affairs and has an operating budget that covers such expenses as landscaping, irrigation, maintenance, etc. There is little additional income to allow for meeting costs; as such we are requesting that the fee be waived.

The meeting of homeowners is required by the associations governing documents.

Per my conversation with Mr. Peck, we have utilized the school for prior meetings, as recently as November 2005, and insurance documentation is currently on file.

Thank you for your consideration.

Sincerely,

Kathleen Hansen, Advantage Idaho Inc.

Dear Mr. Core,

Thank you for the opportunity to use the school cafeteria to hold the banquet for the Meridian Lanes Jr. Bowlers.

We are a non-profit organization. The money we earn from our fund-raisers is returned to the bowlers in the form of scholarships to further their education. These scholarships are held at Bowling Headquarters until the bowler has graduated high school. They then become available for the bowler to use for college tuition, books, housing and more.

We would like to make a request of the board to waive the use fee for use of the cafeteria. The more donations and fewer expenses make more money available to use for the scholarships.

If you have any questions, please feel free to contact me.

Thank you,

Terri Simpson
