June 5, 2006

Joint School District No. 2  
Board of Trustees

This letter is a request for permission for the use of protective football equipment during a state all-star game scheduled this summer in Boise. This request includes equipment from Centennial, Eagle, Meridian, and Mountain View High Schools. The use of the protective equipment is not related to any district high school football camp.

Following Idaho High School Activities Association regulations, it is understood that the equipment will be limited to a one-week period of usage. The all-star game will be providing insurance coverage for the participants. Thank you for your consideration in this matter.

Sincerely,

Scott Stuart  
District Activities Director  
Joint School District No.2
