Dear Mr. Norton,

I would like to recommend **Rebecca Moss** for Provisional Authorization Certification to teach English at Eagle Middle School for the year 2006-2007. Ms. Moss was recently informed by the State Department of Education that there was a misprint on her original letter regarding her deficiencies. She was recently told that she needs to have 6 credits in English composition above the freshman level. Because of the late notice she will not be able to complete the six credits by August. Ms. Moss understands that her Provisional Certificate is for one year only allowing her to complete her course of study this year to be fully certified by the State for the 2007-2008 school year.

**We are requesting that a Content Specialist fill the following position:**

**Eagle Middle School      English      Rebecca Moss**

Respectfully,

Don Nesbitt  
Regional Director
