Dear Mr. Norton,

I would like to recommend **Marla Blaser** for Provisional Authorization Certification to teach Art at Pioneer Elementary School for the year 2006-2007. The State Department of Education recently informed Joint School District No. 2 that Mrs. Blaser was not certified to teach elementary Art. She is certified to teach secondary Art, but must first complete a methods class for elementary Art. She is very willing to complete this class during second semester. Mrs. Blaser understands that her Provisional Certificate is for one year only allowing her to complete her course of study this year to be fully certified by the State for the 2007-2008 school year.

We are requesting that a Provisional Certificate fill the following position:

Pioneer Elementary School Art Mrs. Marla Blaser

Respectfully,

Dear Mr. Norton:

I would like to recommend Grace Kalisky for a Provisional Certificate to be a Speech/Language Pathologist at Lewis Clark Middle School. The Meridian School District has had a large number of speech/language pathologist positions to fill this year. We have advertised widely in multiple sites including colleges and universities, professional journals and websites, and in newspapers. We have been unable to fill all positions with appropriately certificated staff. We are still recruiting for speech/language pathologist positions.

Ms. Kalisky is uniquely qualified for this position. She holds a Masters Degree in Speech/Language. She has worked as a Speech/Language Pathologist in the public sector, working with a variety of age levels. She recently moved from California and is in the process of gathering her information for certification.

Ms. Kalisky understands that this Provisional Certificate is for one year only and is working at completing coursework and technology test for certification.

Sincerely,

Catherine Thornton
Director of Special Population
