Dear School Board Members

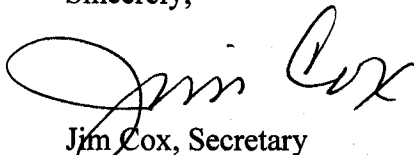

The elders of Columbia Bible Church, Meridian are requesting the use of Mary McPherson Elementary School, 1050 E. Amity, again, for the purpose of Sunday morning services. We have requested the use of the gymnasium for our service, which is to be followed by a time of fellowship, also in the gym.

We are currently meeting at 9:00 AM for set-up with service beginning at 10:00 AM. We have been meeting for fellowship until 3:00 PM to include clean-up. Our desire is to continue for the coming year. We expect this proposal to be reviewed annually or as necessary.

We have checked with school personnel for availability, both of the building and of custodial staff. The building appears available and the custodial staff is willing to support the requested time frame. We have proposed to rent the facility for 6 hours per week and pay for 6 hours of overtime for the custodial staff while on site. A check has been delivered monthly to the School District office at the end of each month for the number of hours on site each month. We propose to continue this practice as well.

Please confirm that this proposal is acceptable. We appreciate your support.

Sincerely,

Jim Cox, Secretary
Columbia Bible Church
