29 Assignment of employment related duties to Superintendent

30
31 The Board of Trustees recognizes that the Superintendent is the executive officer of the Board of
32 Trustees with such powers and duties that the Board may prescribe. The Superintendent shall act
33 as the authorized representative of the District whenever such is required, unless some other person
34 shall be named by the Board of Trustees to act as its authorized representative. ~~Therefore, the~~
35 ~~Board of Trustees hereby delegates all powers of the Board, which have not been specifically~~
36 ~~reserved by statute or Board policy, to the Superintendent.~~
37

38 The Board of Trustees recognizes that Idaho Code grants the power to the Board of Trustees to
39 suspend, grant leave of absence, place on probation, or discharge certificated professional
40 personnel for material violation of any lawful rules or regulations of the Board of Trustees or of the
41 state Board of Education or for any conduct which could constitute grounds for revocation of a
42 teaching certificate. The Board recognizes that there are situations which arise concerning
43 certificated employees which may require immediate suspension or leave of absence. Thus, the
44 Board has determined that if the Superintendent or his/her designee determines there exists
45 reasonable articulable suspicion to believe that a certificated employee has made a material
46 violation of any lawful rule or regulation of the Board of Trustees or of the State Board of Education,
47 has engaged in conduct which could constitute grounds for revocation of a teaching certificate, or is
48 the subject matter of an investigation where the presence of the certificated employee may unduly
49 influence or undermine a personnel investigation, the Superintendent or his/her designee shall have
50 the authority to suspend with pay the certificated employee pending the next regularly scheduled
51 Board meeting or ten (10) business days, whichever comes first.
