

MOUNTAIN VIEW HIGH SCHOOL

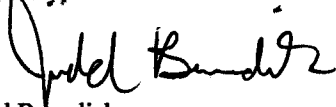

4-12-07

Meridian School Board,

I would like to request the use of our football equipment to be used at our upcoming Football Camp scheduled for June 8th-13th at Mountain View High School, for incoming grades 9-12. We feel that by using protective equipment we will reduce the possibility of head and shoulder injuries and it will help us teach proper technique and safety. Our facilities at Mountain View will provide an excellent environment for our student/athletes to learn the game of football and have a great experience with their friends.

Thank you for your time and consideration in this matter.

Sincerely,

Judd Benedick
Head Football Coach
Mountain View High School

Aaron Maybon
Principal
Mountain View High School

Cliff Reed - A.D.

Scott Stewart
District A.D.
