Re: Change in FTE

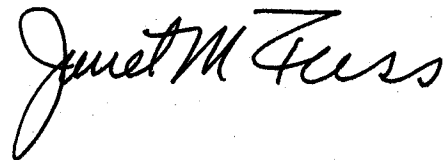

Date: April 24, 2007

This letter is written to request a reduction in my teaching responsibilities from 1.0 FTE to .5 FTE for the 2007-2008 school year.

These past three years I have enjoyed teaching the Tuition Kindergarten class. The extended day has given me many opportunities to integrate exciting and challenging activities into the students' days. I have also appreciated the chance to build better relationships with both the children and their parents.

Now that this special program is being discontinued at Pioneer, it seems like an excellent time to move to teaching half-time.

Thank you in advance for your consideration of my request.
