Second Grade

Balance

- a. Carolina STC Balancing and Weighing Kit

Characteristics of Animals and Their Habitats-

Houghton Mifflin Science 2007
Unit A Level Three Kit and On Grade Level Readers *How Living Things Function*
Unit B Kit and Text *Environments and Energy*

Weather

Delta Foss Air and Weather Kit

Lab Safety Goggles

Third Grade

Solids, Liquids and Gasses

Experience Science Energy and Matter Kit and HM Unit E Text

Simple Machines

Experience Science Forces, Motion and Machines Kit and HM
Unit F Text

Plants and Animals within Ecosystems

Houghton Mifflin Science 2007
Unit B Kit and Text *Living Things on Their Environment*

Solar System

Discovery Works Kit and Readers *Sun, Moon and Earth*

Lab Safety Goggles

Fourth Grade

Magnetism and Electricity

Experience Science Electricity Kit and HM Unit F Text

Biology of Ecosystems

Houghton Mifflin Science 2007
Text *Ecosystems*
Support Readers *Ecosystems, Communities and Biomes*
Life in Ecosystems
Discovery Works Kit *Classifying Living Things*

Earth and Space Systems

Experience Science Space Module / Kit

Lab Safety Goggles

Fifth Grade

Structure and Function of Matter

Houghton Mifflin Science 2007
Unit E Kit and Text *Kinds of Matter*

Living Systems

Houghton Mifflin Science 2007
Unit A Kit and Text *The Life Process*

Earth's Systems

Carolina Biological STC Rocks and Minerals Kit

Lab Safety Goggles

Sixth Grade

Harcourt Science 2008
0-15-366521-1
Grade Level Equipment Kits (2 per teacher)
