10 The board of trustees of Joint School District No. 2 believes that absences from work
11 responsibilities interfere with the quality program the students expect and deserve. The
12 board also realizes there are circumstances that will prevent an employee from being on
13 the job. Absences from work responsibilities are covered by the leaves provided by
14 state statute, master contract and policy and should be used judiciously. Therefore, in
15 the event an employee violates or misuses any leave policy or master contract article, or
16 misrepresents any statement or condition with respect to the use of the policies or
17 articles, he/she may be subject to a reprimand or termination.
