Meridian School District
Maintenance Department

Wayne,

I have a proposal from Mitchell Shoet, a former Andrus student, for an Eagle Scout Project. Mitchell would like to paint a United States map on one of our playground areas. The map is 12' x 24' and will be painted with 100% acrylic latex paint as recommended by the manufacturer. The total cost of the project is \$500. Part of the project is to secure the funding, so the school district would have no expense. If approved, I would assist Mitchell in identifying a suitable location.

Thank you for considering Mitchell's proposal.

Respectfully,

Barbara Horn, Principal
