

SUPERINTENDENT
Dr. Linda Clark

Joint School District No. 2

1303 E. Central Drive • Meridian, Idaho 83642 • (208) 855-4500 • Fax (208) 350-5962

MEMORANDUM

To: Meridian School Board Members
From: Dr. Jerry Reininger
Topic: Food Service On-Line Payments
Date: May 8, 2008

District Policy 1001.30, Network, Computers and Electronic Information Systems, states "Users will not use district internet or network resources to sell or offer for sale any goods or services without board approval".

As technology advances the district is changing to meet the needs of the families it serves. There will be a link on the district web server under "Nutrition" that will allow parents to purchase meals on line. This is basically the same as sending a check to school with the child. There is a small service charge and minimum amount for the transaction.

Kim Huntley in food service has worked with the IT department on this project.
