To the Board of Trustees:

Prospect Elementary is requesting approval for completion of our asphalt walking track, to extend all the way around our field. Completion of this project will allow us to further promote health and fitness activities, such as our walk/run program.

The attached map shows the existing track, and the area that needs to be completed. We have received a quote of \$8,118.00. The district maintenance department will obtain additional quotes.

The Prospect Elementary PTA has committed funds to cover the entire cost of this project, and has also budgeted for a minimum fund balance of \$2,500.00 to carry over to next Fall.

Thank you for your consideration.

Sincerely,

Priscilla Anderson, Principal
